EXECUTIVE ORDER 0003

NAMING ND WALKING TRAIL TO ADRIENNE SPRADLEY MEMORIAL TRAIL

By virtue of the authority vested in me, by the Constitution of the Commonwealth of Dracul of 2017, it is hereby ordered as follows:

Adrienne Spradley, born April 21, 1995, was a 24-year-old, bright and outgoing individual, who showed interests in the Commonwealth of Dracul community. Adrienne was a friend to many Draculians in the Houston area, who unfortunately suffered medical issues, such as asthma problems. Adrienne went into a coma and is not expected to recover.

Due to Adrienne's interest in Dracul and the unfortunate situation of her not being able to register as a Citizen of Dracul, I hereby name the North Dracul walking trail to "Adrienne Spradley Memorial Trail" effective May 1, 2019.

Let this be a reminder to Dracul, as well to the rest of the micronational community, that this Administration does not forget, nor neglect even those who are non-citizens of this community. We appreciate her interest in Dracul and her friendship to many.

Authorized and directed to publish this memorandum in the National Register
